Group leader: Please complete this evaluation of each member of your group and review it with him/her. You may also photocopy this form and have each one do a self evaluation before your review. Depending on where you are in the Level One curriculum, some of these areas may not apply, but as the student progresses through the courses, these discipleship skills should become increasingly evident in his/her life. Our purpose is to evaluate his/her progress from course to course.

<p>In the middle column, write a number to indicate the student's level of growth in that area. Use the following scale: 0 = Unacceptable; 1 = Acceptable; 2 = Satisfactory; 3 = Good; 4 = Excellent. Use the space at the right to write your own comments about the student's growth in each of these areas.</p>
